

For immediate release:

Author's new book receives a warm literary welcome.

Readers' Favorite announces the review of the Fiction - Short Story/Novela book "The Nocturnal Devil" by Miguel Angel Hernandez Jr., currently available at <http://www.amazon.com/gp/product/B0CD14P5CH>.

Readers' Favorite is one of the largest book review and award contest sites on the Internet. They have earned the respect of renowned publishers like Random House, Simon & Schuster, and Harper Collins, and have received the "Best Websites for Authors" and "Honoring Excellence" awards from the Association of Independent Authors. They are also fully accredited by the BBB (A+ rating), which is a rarity among Book Review and Book Award Contest companies.

"Reviewed By K.C. Finn for Readers' Favorite

The Nocturnal Devil is a work of fiction in the mystery, drama, and suspense subgenres, and it forms the third novel of The Griffin Knight Series of mystery tales.

The work is best suited to the general adult reading audience and was penned by author Miguel Angel Hernandez Jr. The novel sees us join our central detective hero Griffin in the aftermath of the events of A Colossal Injustice. Haunted by visions of Seattle, Griffin's recuperation time is cut short when two women go missing in New York City. On their trail and exploring a myriad of sinister possibilities, Griffin must figure out what's happening before any more victims are added to the case.

Author Miguel Angel Hernandez Jr. has crafted a very engaging central figure in Detective Griffin Knight, and the crime-solving aspects of this novel were so keenly woven into his psyche and sensibilities, such that we see the world through his eyes and notice details we may not otherwise have picked up on. This gives the novel a strong viewpoint and an emotional impetus as we root for Griffin both in the case itself and in his development and reconciliation of relationships that are still haunting him from his previous adventures. The self-contained plot of The Nocturnal Devil makes it an absolutely stellar standalone mystery with plenty of complex themes that question the nature of power and its corrupting influence. But I'd also highly recommend the whole series in general to mystery fans who want to explore more from this charismatic and highly capable hero."
